Summary

Ibis Abu Dhabi Gate has 294-rooms and will bring in a fresh sensation to the economy hotel segment in the UAE's capital. Guests can enjoy a variety of dining options including the ibis all-you-can eat buffet breakfast, a coffee shop and ibis WOK&CO restaurant.

Novotel Abu Dhabi Gate, the mid-scale brand, will complement ibis Abu Dhabi Gate, being clustered properties, with its excellent meeting facilities, spacious bedrooms, free internet connection, dedicated children's areas and rejuvenating wellness facilities.

Background

The project involved the construction of two hotel towers: the 3-star Ibis Hotel and the 4-star Novotel Hotel. Both towers each comprise four basement car parking levels, a ground floor, two podium levels that will house restaurants, two mezzanine floors and 20 additional floors offering 518 rooms. Amenities in the project include a swimming pool, a gymnasium, restaurants, a health club, a spa, a jacuzzi and 24-hours security.

Services

Irinattech was commissioned to handle the project management, construction management, procurement and design management on all aspects of the mechanical and electrical works. Irinattech also provided support to the main contractor in the planning, engineering, management, implementation and site supervision.

Irinattech at a glance

We contract to local, regional and multinational corporations and public institutions. Our general scope of work includes Engineering, Procurement, Construction and Handover to end-user. Our current growth strategy focuses on leveraging opportunities in the emerging markets of the Middle East, South Asia and Africa. Primarily focused in the power
